

PRRA Staff Daily Update – Tuesday 21 April 2020

Hi everyone – Hope all is well in your bubble!

Updates from www.covid19.govt.nz

Yesterday the Prime Minister announced that New Zealand will remain in Alert Level 4 until 11.59pm on Monday 27 April 2020. After that we will move to Alert Level 3 for a period of two weeks before a further review is carried out.

The Golden Rules for life at Alert Level 3

1. **Stay home.** If you are not at work, school, exercising or getting essentials then you must be at home, the same as at level 4.
2. **Work and learn from home if you can.** We still want the vast majority of people working from home, and children and young people learning from home. At risk students and staff should also stay at home, and they will be supported to do so. Early learning centres and schools will physically be open for up to Year 10 for families that need them.
3. **Make your business covid-19 safe.** Covid-19 has spread in workplaces, so the quid pro quo of being able to open is doing it in a way that doesn't spread the virus.
4. **Stay regional.** You can exercise at parks or beaches within your region, but the closer to home the better. Activities must be safe – keep 2 metres away from anybody not in your bubble. Make minimal trips.
5. **Keep your bubble as small as possible.** If you need to, you can expand your bubble a small amount to bring in close family, isolated people or caregivers.
6. **Wash your hands often with soap. Then dry them.** Cough and sneeze into your elbow.
7. **If you are sick, stay at home and quickly seek advice from your GP or Healthline about getting a test.** There is no stigma to COVID-19. We will only be successful if everyone is willing to play their part in finding it wherever it is.

Challenges we face (Thanks to MBIE for this information)

Some of us may not be as busy while working from home as we would like. We appreciate this is challenging and at times frustrating. It's understood that for some it's not as easy to work from home, and that's ok.

Some will have children at home so we appreciate that you can't be as productive as you would normally be, and that's fine. Do what you can.

Others will be missing their work set up, however it's not possible to pop to work to collect equipment or furniture as it poses risks of breaching bubbles of those essential workers who may have to work in those places. Remember it is temporary, so please be patient. It's understood you may not be as productive and that's ok too. Do remember to take breaks frequently through the day.
