Projects at your place...

What projects have you been doing around your place with your spare time? Send in a photo of what you have been working on.

Well done to Lee and Andrew for their amazing bush bath...

“After lugging rocks and sand and bricks and the amazingly heavy claw foot bath into place, the first soak under the stars (room for two) was absolutely magnificent.”

Ideas for cleaning at home

The best window cleaner: 1/3 cup of white wine vinegar to 1 litre of water inside a spray bottle. Spray the window and use two separate cloths - one to wipe the dirt away and one to dry the window.

Cleaning your blinds: Equal parts water and white vinegar combined. Use an old sock over your hand - dip in the solution and run over each slat of the blind.

Quiz

How many of these rock bands can you work out? No spoiler alerts. Answers on Thursday...

Will catch up with you again tomorrow.

Take care everyone and stay safe!

Best regards

Michelle
