Hi everyone – Hope all is well in your bubble!

### Flu Shots

The Agency is providing staff with a FREE influenza vaccination again this year. They will be available from Coastal Health at 70-74 Cowper Street, Greymouth - Phone 03 768 5942.

**There is an opportunity to have your free flu shot at 3.30pm this coming Friday 1 May 2020. Please call / text Karen on 027 2800 910 ASAP to book your place.**

Otherwise if this time doesn't work for you, please contact Coastal Health on 03 768 5942 to arrange a suitable time. Just mention that you work at the Pike River Recovery Agency. You will need to allow about 30 minutes for your flu shot as there may be a wait time after you have had the injection.

### Keep it Coastal and Support Local

Local restaurants and businesses really need our support right now. During this time let's keep it Coastal and support local businesses. Order your favourites or redeem them once New Zealand lifts to Alert Level 2.

- **Order your favourite takeaway** - Don't let self-isolation stop you from buying your favourite takeout, they're just a click or phone call away from local restaurants across the Coast!
- **Buy online on the Coast** - The internet is a wonderful thing and there are plenty of West Coast businesses with online ordering and purchase options available.
- **I can vouch for that** - Buy a voucher from a local business, restaurant or activity that you or your friends can redeem later once it's safe to travel. Not only is this a great Birthday or Christmas gift, it helps our local businesses during COVID-19.
- **Book now, Do later** - Coasters are proud of our Untamed Natural Wilderness, so now's the time to get ready to explore our own backyard. Book a West Coast deal now and use it once New Zealand lifts to Alert Level 2 and it's safe to travel around our region again.
